# About APJSEQ 2025

The **DR. APJ Abdul Kalam Science Excellence Quest** is a prestigious offline scholarship test for students, designed to identify and nurture scientific talent. It offers a golden platform to showcase knowledge, promote scientific thinking, and win exciting rewards while competing with the brightest minds.

## Why APJSEQ?

The **DR. APJ Abdul Kalam Science Excellence Quest** is more than a scholarship test – it's a mission to ignite scientific thinking and nurture future innovators. It offers a competitive yet enriching platform for students to demonstrate their academic strength and curiosity in science.

### This Quest offers:

- **Attractive cash prizes** and scholarships to support academic growth
- **Recognition** at school and district levels for outstanding performance
- **Motivation** to excel through structured competition
- **Opportunities** to explore beyond textbooks and apply conceptual understanding

## APJSEQ Details

- **Eligibility:** Students of Class 7 to Class 12
- **Format:** Multiple Choice Questions (MCQs)
- **Subjects:** Science | SST | Maths | Aptitude
- **Duration:** 30 min.
- **Locations:** Barnala, Muktsar, Fazilka, Mansa, Ferozepur, Bathinda, Faridkot, Moga

## Why Should You Enrol for APJSEQ?

- **Offline Examination:** The exam will be conducted offline at the school premises, ensuring a comfortable, secure, and distraction-free environment for students.
- **Recognition & Rewards:** Students participating in SEQ will be eligible for certificates, medals, trophies, and cash prizes, recognizing both participation and excellence. These accolades serve to motivate students, build their academic confidence, and enhance their portfolios.
- **Science-Focused Evaluation:** The test is structured as an MCQ-based assessment, carefully designed to test scientific understanding, critical thinking, and general awareness.
- **School-Wide Acknowledgment:** Participating schools will be publicly recognized for fostering a culture of scientific learning and academic excellence. This not only strengthens the school's reputation but also positions it as a leader in talent development within the region.
- **Expertly Designed Test:** The question papers are developed by a panel of India's top academic experts, ensuring they are age-appropriate, conceptually sound, and aligned with national education standards.
- **Talent Discovery & Exposure:** APJSEQ provides a valuable platform for students to showcase their potential beyond the classroom, helping schools identify bright minds and give them exposure to competitive academic environments early on.

## Ready to Ignite Young Scientific Minds?

Don't miss this opportunity to empower your students, elevate your school's reputation, and be part of a mission that celebrates excellence in science.

## Rewards and Recognition

Top performers and participants in the **DR. APJ Abdul Kalam Science Excellence Quest** will be awarded Certificates and exciting rewards and recognition as a mark of academic distinction.

### Cash Prizes (For Overall Top Rankers)

#### Class Toppers from Districts

**Trophies** awarded to the highest scorers in each class across every district.

#### Class Toppers from Schools

**Medals** presented to the top-performing student in each class within every participating school.

#### All Participants

Every student will receive a **Certificate of Participation** in recognition of their effort and enthusiasm.

### Exclusive Benefits for Participating Schools ...

- **Academic Recognition:** Schools will be featured in official event communications and recognized for promoting academic excellence among their students.
- **Certificates & Awards for Students:** All participating students receive certificates, with top performers bringing trophies and medals that add to the school's prestige.
- **Early Competitive Exposure:** Students get firsthand experience with standardized exams, boosting their confidence for future national-level tests like JEE/NEET.
- **Priority Access to Future Programs:** Partnered schools will get early access and exclusive invites to upcoming educational initiatives, workshops, and events.
